

Sound Attenuated Canopy for the 4006 Genset Range P730P1 - P900E1'

At the 4th Qtr 2003 YelloGen replaced the outgoing 3012 engine series gensets with the new 4006 range. At that time we had a PVR canopy offering for the 3012 genset of which we sold in excess of 100 units p.a.

We are pleased to introduce a new 'close fit' SA (87dBA at 1M) canopy for the YGP730-YGP900E1 genset range under PVR number 3530 details of which are included

Order book is open immediately - delivery as detailed below.
